

Genpact Named a Leader in ISG Provider Lens™ 2026 for ServiceNow Ecosystem Partners

Genpact has been recognized as a Leader in the ISG Provider Lens™ 2026 ServiceNow Ecosystem Partners (US) report, covering ServiceNow Consulting and Implementation Services and Innovation on ServiceNow.

The recognition highlights Genpact's strength in combining agentic AI, process intelligence, and deep domain expertise to enable enterprise transformation at scale.

ISG also recognized Genpact's AI Gigafactory operating model, which helps organizations move AI from pilot to production through strong governance, reusable frameworks, and measurable business outcomes.

Additionally, Genpact was noted for enabling connected, cross-functional workflows across IT and business functions such as finance, supply chain, and operations on the ServiceNow platform, embedding agentic AI into enterprise workflows to improve execution and decision-making.

This recognition reinforces Genpact's position as a trusted transformation partner helping global enterprises scale AI-driven innovation with control, transparency, and measurable impact.
